Availability Immediately

Lease Length occupation of each studio is offered (at tenant's choice) either:

- by way of a Tenancy-at-Will; or
- by way of a Six-Year Fixed Term Lease.

A Tenancy-at-Will is a tenancy that only continues as long as both landlord and tenant will it to continue. Consequently there is no 'notice period' and the tenant may leave, or be required to leave, at any time without any notice needing to be given. Further details on request.

A Six-Year Fixed Term Lease is a lease for that period of time. The landlord may not terminate it before its end (unless the tenant is in breach of its conditions) and, if the tenant wishes to leave, he or she needs to find an alternative, acceptable tenant, to take over the lease.

Repairs and Insurance

Tenant is responsible for internal repairs (including windows and door) and internal decoration and tenant's own 'contents, work and business interruption' insurance.

Landlord is responsible for external and structural repairs and decoration (including maintenance and decoration of common parts). Landlord is responsible for buildings insurance (with no claim back from tenants).

Service Charge

None

Rent Increases

Rent is either reviewable every three years or to increase by 5% every year (at the choice of the tenant).

Deposit

Normal deposit is equivalent of two months' rent. An addition to that deposit may be required in some (unusual) cases.

Utility Bills

Tenants are to be responsible for paying for electricity and water rates. There is no gas to the building.

Business Rates

Tenants will be responsible for paying their own rates. As this unit has a Rateable Value (RV) significantly less than £12,000, then, provided certain conditions are met (primarily that the tenanted space is being used by the tenant as their sole place of business) then it is likely that no business rates are payable. Further details are available on request.

Pets

We regret that Vanguard Court is not suitable for pets.

Landlord & Tenant Act 1954

the security of tenure provisions of this Act will be excluded, so that at the end of the tenancy or lease the tenant has no right to a new tenancy or lease.

Legal Costs

a tenant's contribution of £450 + VAT is payable for a Tenancy-at-Will or a minimum of £1,500 + VAT for landlord's solicitors' fees (actual figure to be confirmed if required) for a Fixed Term Lease.
